Dear Mr. Nicolozakes:

I received your response to my November 23, 2011, Notice of Violation letter on December 19, 2011. The documentation that you submitted included copies of labeled used oil containers as required.

My review of this documentation reveals that Marietta Coal Company has adequately demonstrated abatement of all violations discovered during the May 10, 2011 compliant inspection.

If you have any questions regarding this letter, please call me at (740) 380-5256.

Sincerely,

Melody Stewart  
District Representative  
Division of Materials and Waste Management

MS/cb

**Notice:**

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all appropriate regulations.
