Dear Mr. Orenchuk:

I received your response to my November 23, 2011, Notice of Violation letter on December 5, 2011. The documentation that you submitted included certification statements and additional information regarding the tank and pipe assessments.

My review of this documentation reveals that American Electric Power has adequately demonstrated abatement of all violations discovered during the June 1, 2011 compliance inspection.

If you have any questions regarding this letter, please call me at (740) 380-5256.

Sincerely,
