**Subject: Rescinding Violation - MONITORING (TCR), ROUTINE MAJOR, 23**

Dear Mr. Christman:

Your public water system was issued a notice of violation of Rule 3745-81-14 or 21 of the Ohio Administrative Code (OAC) on February 24, 2012, for the period of January 2012. The cited violation was for failure to collect five routine samples the month following a total coliform positive sample.

Five samples were collected on January 3, 2012 as required, but the samples were improperly labeled as "repeat" samples instead of "routine" samples. Your laboratory's recent information indicates this violation did not occur and therefore is being rescinded. The public notice sent with the notice of violation referenced above does not need to be issued at this time.

If you have any questions, please contact this office at (330) 963-1114 .

Sincerely,

Beth Madis
