**NOTICE OF VIOLATION**

March 6, 2012

Julie Williams  
9365 Blacklick Eastern Road  
Pickerington, OH 43147

Dear Ms. Williams:

This letter confirms our discussion of February 28, 2012 wherein I observed that you were open burning in violation of Ohio Administrative Code 3745-19-04(A). These actions are subject to fines and penalties.

Specifically, on February 28, 2012, and at 9365 Blacklick Eastern Road, Pickerington, you were open burning residential waste within 1,000 feet from the nearest inhabited building off your premises. The fire would not qualify as a pleasure fire since it was about 4 to 5 feet in diameter and materials other than seasoned firewood were being burned. Pleasure fires can only have a fuel area of 3 foot in diameter by 2 feet high while burning clean seasoned firewood.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
