Mr. Dan Nagy
Nagy's Collision
1771 N. Main Street
Orrville, Ohio 44667

Dear Mr. Nagy:

Thank you for your December 13, 2011, January 31, 2012, and February 8, 2012 responses to Ohio EPA's October 25, 2011 Notice of Violation letter and December 22, 2011 request for additional information. The documentation you submitted included a chemical analysis (TCLP) of your waste aqueous base-coat paint and your statement that "lamprecycling.com" is used to recycle your waste fluorescent lamps.

My review of this documentation reveals that Nagy's has now abated all violations discovered during the October 7, 2011 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation

Should you have any questions, please feel free to call me at (330) 963-1231.
