Warren, OH 44484

Dear Mr. Barber:

The initial Stage II compliance RETEST conducted at A & M Citgo located at 13819 W. Center Street in Burton, Ohio on January 5, 2007, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09 (DDD).

This Agency has not received the completed "2004-2005 Non-Title 5 Air Emissions Report" that is required by Ohio Administrative Code Rule 3745-78-02 and Ohio Revised Code 3745.11(D). The forms will be sent to you by our Columbus office. Please complete the form and submit it as per the instructions.

Additionally, you will be able to avoid future emission fees by completing and returning the attached Permit by Rule notification form.

If you need assistance with either of the above forms, please contact Adrienne LaFavre of our Office of Compliance Assistance and Pollution Prevention at (330) 963-1250.

Sincerely,

Dennis Bush
