Wellington, Ohio 44090

Dear Ms. Holliday:

The five-year Stage II compliance demonstration conducted at Tom's Service Center located at 704 North Main St. in Wellington, Ohio on February 19, 2010, demonstrated compliance with the requirements of Ohio Administrative Code (OAC) Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in February 2011.

During the testing, maintenance records were not available in violation of OAC Rule 3745-21-09(DDD). **Please be sure to keep these records on site and available for inspection in the future.**

I have enclosed a Permit by Rule Notification form. This will replace any needed Permit-to-Install and Operate (PTIO) and will mean you no longer have to pay the biannual emission fees. This is the second year in a row that this request has been made. **Please complete the form and return it as per the instructions within fourteen (14) days of receipt of this letter.**

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training be completed prior to your next Stage II test.** This is the second year in a row that this request has been made.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
