RE: FIVE-YEAR STAGE II COMPLIANCE TEST  
MUNSON CORNERS SUNOCO  
DAPC FACILITY ID 0228000317

Rollin Cooke  
Munson Corners Sunoco  
400 Water Street  
Chardon, OH 44024

Dear Mr. Cooke:

The five-year Stage II compliance demonstration conducted at Munson Corners Sunoco located at 400 Water Street in Chardon, Ohio on February 16, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in February 2011.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer  
Environmental Supervisor  
Division of Air Pollution Control
