DAPC FACILITY ID 0204010363

Cecy Kinne
Speedway/SuperAmerica, LLC
P.O. Box 1500
Springfield, OH 45501

Dear Ms. Kinne:

The five-year Stage II compliance demonstration conducted at Speedway/SuperAmerica #3521 located at 2309 North Ridge East in Ashtabula, Ohio 44004 on February 24, 2010, demonstrated compliance with the requirements of Ohio Administrative Code (OAC) Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in March 2011.

The station manager was unable to produce maintenance and throughput records during this testing, in violation of OAC Rule 3745-21-09(DDD). **Please make sure to maintain these records on site and available for inspection.**

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
