RE: ANNUAL STAGE II COMPLIANCE TEST  
ABBE MARATHON  
DAPC FACILITY ID 0247080816

Sam Henna  
Abbe Marathon  
501 North Abbe Rd.  
Elyria, Ohio 44035

Dear Mr. Henna:

The annual Stage II compliance demonstration conducted at Abbe Marathon located at 501 North Abbe Rd. in Elyria, Ohio on January 28, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance demonstration is due in December 2010.

Please be advised that paragraph 3 (vi) of the above rule requires that the operator or local manager of a Stage II system at a gasoline dispensing facility attend training on the operation of the system and that proof of attendance be available for our inspection. We expect that this training will be completed as soon as possible. Your testing company may be able to arrange for this training.

I have enclosed a Permit by Rule Notification form. Please complete the form and return it as per the instructions. This will replace any needed Permit-to-Install and Operate (PTIO) and will mean you no longer have to pay the biannual emission fees.

**Failure to perform the requested tasks identified in this letter may result in referral to our Central Office for enforcement action.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer  
Environmental Supervisor  
Division of Air Pollution Control
