RE: ANNUAL STAGE II COMPLIANCE TEST  
WEST RIVER MARATHON  
DAPC FACILITY ID 0247041030

Beth Papay  
West River Marathon  
803 West River Rd.  
Elyria, OH 44035

Dear Ms. Papay:

The annual Stage II compliance demonstration conducted at West River Marathon located at 803 West River Rd. in Elyria, Ohio on February 4, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in February 2011 and will include the five-year dynamic pressure test.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training. **We will expect that the training be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer  
Environmental Supervisor  
Division of Air Pollution Control
