Rosi Uppal  
DU Enterprises

Ashtabula, OH 44004

Dear Ms. Uppal:

The annual Stage II compliance demonstration conducted at DU Enterprises located at 3312 North Ridge East in Ashtabula, Ohio 44004 on March 19, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in March 2011.

The proof of attendance and completion of the training required by the Ohio EPA for the operator or local manager of the gasoline dispensing facility was not available. I have enclosed a copy of the Rule that is applicable to gasoline dispensing facilities as well as a list of testing companies. Some of these companies conduct the Stage II training.

**We will expect that the training be completed prior to your next Stage II test.**

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
