DAPC FACILITY ID 0228000293

CERTIFIED MAIL

Jim Mansour
Hanini Marathon
12797 Mayfield Rd.
Chardon, OH 44024

Dear Mr. Mansour:

The annual Stage II compliance demonstration conducted at Hanini Marathon located at 12797 Mayfield Rd. in Chardon, Ohio on October 21, 2010, demonstrated compliance with the requirements of Ohio Administrative Code Rule 3745-21-09(DDD).

The next annual Stage II compliance test is due in September 2011.

This station is currently operating without a permit to operate, in violation of OAC Rule 3745-31-02.

Alternative to a permit to operate, the station may submit the enclosed Permit by Rule Notification form. **Please complete the form and return it as per the instructions.**

This will replace any needed Permit-to-install and operate (PTIO) and **will mean you no longer have to pay the biannual emission fees.** Failure to complete and submit the form may result initiating enforcement action against this station as this is the third year in a row that this request has been made.

If you have any questions regarding this letter, please do not hesitate to contact me at (330) 963-1270.

Sincerely,

Tim Fischer
