Michael Heher  
Carbon Limestone Sanitary Landfill  
8100 South Stateline Road  
Lowellville, OH 44436

Subject: Carbon Limestone Sanitary Landfill (facility I. D. 0250070850) failed to submit the required Title V compliance certification in violation of the Title V permit terms and conditions and Ohio Administrative Code (OAC) rule 3745-77-07(B)(5).

Dear Mr. Heher:

The purpose of this letter is to bring to your attention that Carbon Limestone Sanitary Landfill failed to submit a compliance certification for the calendar year 2006 period by April 30, 2007, in violation of OAC rule 3745-77-07(B)(5), the terms and conditions of your Title V Permit (Part I. A.), and Revised Code (RC) Section 3704.05(C). It is important that your company immediately prepare and submit this required compliance certification, as soon as possible, but not later than 30 days from receipt of this letter. The compliance certification forms, instructions, and examples are available on Ohio EPA's worldwide web site at the following address:

**[http://www.epa.state.oh.us/dapc/title\\_v/titlev.html](http://www.epa.state.oh.us/dapc/title_v/titlev.html)**

If you fail to submit this Title V compliance certification by the deadline, we will have no choice but to refer this matter to Columbus for appropriate enforcement action that would likely include the assessment of civil penalties. The submission of this compliance certification does not constitute a waiver of Ohio EPA's authority to seek civil penalties as provided in RC Chapter 3704.

Should you have any questions regarding this matter, please feel free to directly contact Joe Loucek of my staff at 330-963-1258.

Sincerely,

Ed Fasko  
Environmental Supervisor  
Division of Air Pollution Control
