Mr. Randy Townsend  
Air Heater Seal Company  
PO Box 8, Marietta Road  
Waterford, OH 45786

Dear Mr. Townsend:

Thank you for your responses dated February 27, and March 5, 2012 to Ohio EPA's February 14, 2012 Notice of Violation letter. The documentation you submitted included photographs of excavation of oil-contaminated soils, a statement that you have now instructed employees on proper handling of used oil, and documentation from Crystal Clean for the recycling of the drum of used oil that we observed overflowing at your facility. You also included information on how you are now managing fluorescent lamps and scrap tires, as well as a statement that you will no longer open burn your solid waste.

My review of this documentation reveals that Air Heater Seal Company has now abated all violations discovered during the February 7, 2012 inspection.

If you have any questions, please contact me by telephone at (740) 380-5293 or by e-mail at [donna.goodman@epa.state.oh.us](mailto:donna.goodman@epa.state.oh.us).

Sincerely,

Donna Goodman  
Inspector  
Division of Materials and Waste Management
