Dear Mr. Haghighi:

Thank you for your January 27, 2012 response to Ohio EPA's January 9, 2012 Notice of Violation letter. You submitted information and documentation, including:

- Photographic documentation showing the barrels of waste have been moved off site.
- Documentation regarding the owner of the barrels of waste.
- A discussion regarding your initiatives to remove the numerous used tires on site.

My review of this documentation reveals that you have adequately abated the following violations cited in Ohio EPA's January 9, 2012 Notice of Violation letter.

3745-279-22 Used oil storage requirements for generators

You are hereby returned to compliance.
