Dear Mr. Adair:

Thank you for your October 12, 2007, response to Ohio EPA's August 7, 2007, Notice of Violation letter. The documentation you submitted included photos of the properly labeled used oil drum at your facility and the area around the used oil tank that was cleaned up.

My review of this documentation reveals that A & A Engine Installers has now abated all violations discovered during the August 1, 2007, investigation as listed below.

Letter Citation #	Rule Citation
1.	Used Oil Generator Standards (OAC 3745-279-22(C))
2.	Used Oil Generator Standards (OAC 3745-279-22(D))

If you should have any questions, please feel free to contact me at (614) 728-3882.

Sincerely,
