RE: Return to Compliance

Dear Mr. Bush:

On February 15, 2012, the Ohio Environmental Protection Agency investigated a complaint concerning property owned by you, located at 38600 Lee's Run Rd, Cadiz in Harrison County. On January 23, 2012 you mailed pictures and a receipt indicating that you had cleaned up the building materials and tires. On February 15, 2012, at the time of my inspection, the site was free of waste and tires. As indicated by your letter, the tires were disposed of by Hamad Tire, and the building materials were removed by the building contractor and drywall contractor. Thank you for the quick response to the complaint and for returning to compliance.

If you have any questions, please contact me at this office. You can reach me either by mail or by calling me at (740) 380-5228.

Sincerely,
