SUBJECT: RESCINDING VIOLATION - MONITORING (TCR), ROUTINE MAJOR, 23

Dear Mr. Hale:

Your public water system was issued a Notice of Violation of Rule 3745-81-14 or 21 of the Ohio Administrative Code on 1/27/2012 for the monitoring period of December 2011.

The sample was collected on 12/13/2011, but the result was not reported until February 14, 2012. Your laboratory's recent information indicates this violation did not occur and, therefore, is being rescinded. The public notice sent with the Notice of Violation referenced above does not need to be issued at this time.

If you have any questions, please contact this office at 330-963-1242.

Sincerely,

Charlotte E. Hammar
Environmental Specialist
Division of Drinking and Ground Waters
