Re: Storm Water Inspection at Pataskala Day Care Center/Permit #4GC02487*AG

Dear Mr. Dougan:

This letter is written in follow-up to a construction storm water inspection by Rachelle Howe, of the Ohio EPA, at Pataskala Day Care Center located on Corylus Drive in Licking County on July 29, 2009. The purpose of the inspection was to ensure continued compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, the following items were noted:

Sediment and Erosion Controls:

- Sediment controls appear to be properly addressed for this site.
- It was understood that seeding will take place after curb installation. Please ensure appropriate vegetative density is attained.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844. Follow-up inspections will be conducted to ensure the conditions of the General Permit are continuing to be met.

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
Division of Surface Water
Central District Office
