**Re: Notice of Termination Inspection at Shuttle Bus Administrative Facility/
Franklin County/Permit #4GC02714*AG**

Dear Mr. Beaver:

This letter is written in follow-up to a construction storm water inspection by Katie Anderson and Rachelle Howe of the Ohio EPA, which was conducted at Shuttle Bus Administrative Facility located at 1441 Stelzer Road on July 23, 2009. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, the following was noted:

It appeared that construction activity has been completed for this site and all disturbed areas had been permanently stabilized. A Notice of Termination will be required provided the post construction requirements are met. Please address the following:

- The General Storm Water Permit requires specific post construction water quality treatment for all sites. Guidance regarding the post construction mandates can be found at: <http://www.epa.state.oh.us/dsw/storm/CGP-PC-Q&A.html>. Please submit to my attention (email preferred at harry.kallipolitis@epa.state.oh.us) which practice will be installed at this site to ensure compliance with the General Permit. Please include all design criteria with your submittal.
- A Notice of Termination (NOT) must be submitted once the post construction requirements are verified. The NOT form and filing instructions can be found at: <http://www.epa.state.oh.us/dsw/storm/stormform.html>.
