Re: Ashville Commerce Center / Pickaway County

Dear Mr. Valentine:

This letter is written regarding the storm water inspection conducted that I conducted at the Ashville Commerce Center, located at on State Route 752 in Pickaway County on September 2, 2009. The Agency understands that these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. Based on the site inspection and the General Storm Water Permit, the following items must be addressed:

Sediment and Erosion Controls:

The site was stabilized and no erosion was leaving the site. Please be aware that the site may need to be re-seeded.

Please continue to inspect erosion controls weekly.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,
