**Re: Preliminary Storm Water Inspection at Liebert, Permit Number 4G00201\*DG**

Dear Mr. Schnider:

This letter is written in follow-up to a preliminary storm water inspection I conducted at Liebert/Emersons located on Dearborn Drive in Columbus, Ohio on March 2, 2010. The purpose of the inspection was an overview of compliance with your General Storm Water Permit Associated with Industrial Activities issued by Ohio EPA.

Based on my preliminary assessment, I am formally requesting a full storm water inspection to evaluate compliance with the General Storm Water Permit. I have tentatively scheduled this inspection for May 12, 2010 at 10:00 AM.

Please have an updated copy of your Storm Water Pollution Prevention Plan (SWPPP) for review. Following my review of the SWPPP, I will evaluate the operations to determine compliance with your Storm Water Permit.

If you have questions regarding this letter or my inspection, please contact me at 614-728-3844 or at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us).

Sincerely,

Harry Kallipolitis
