**Re: Lancaster Glass Corporation / Fairfield County
Industrial Storm Water Permit 4GR00087*DG**

Dear Ms. Ehnot:

This letter is written in regard to the storm water inspection that I conducted at the Lancaster Glass Corporation, located at 240 West Main Street, in Lancaster, Ohio. The inspection was conducted on March 3, 2010, to determine compliance with your industrial storm water general permit. It appeared that your company is closed and the property is for sale. There were no items stored outside and no pollutants discharging to storm water drains or to waters of the state. If your company is closed and the property is for sale, please state that you would like your industrial storm water permit to be revoked.

If you have any questions regarding this letter or my inspection, please do not hesitate to contact me at our Central District Office at 614-728-3851.

Sincerely,

Gregory L. Sanders
Environmental Specialist
Division of Surface Water
