Dear Mr. Goldsmith:

This letter is regarding the storm water inspection I conducted at Sam's Club #6326-04 located at 2675 Taylor Road in Fairfield County on February 22, 2010. This facility is currently covered under Ohio EPA's General Storm Water Permit. Based on my site observations, the following items were noted

**Sediment and Erosion Controls:**

- I have received your letter regarding the post construction implementation this spring. I agreed the post construction BMP (Best Management Practices) implementation may be postponed until spring of 2010.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844.
