Return to Compliance

December 1, 2011

Mr. Christian Gardner, Vice President
Nickles Bakery of Ohio, Inc.
26 North Main Street
Navarre, Ohio 44662

Dear Mr. Gardner:

The Division of Air Pollution Control (DAPC) has reviewed Nickles Bakery of Ohio, Inc.'s electronic mail received on November 18, 2011, which contained a response to DAPC's November 14, 2011, Notice of Violation (NOV). This NOV was for failure to submit timely quarterly Title V deviation reports in accordance with the facility's Title V permit. On November 18, 2011, the company submitted the required third quarter 2011 Title V deviation report in Air Services.

The violations noted in the NOV have been addressed and are considered resolved. Please note, however, that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for these violations. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

If you have any questions, please contact me at 419-373-3128 or E-mail jeffrey.skebba@epa.state.oh.us.

Sincerely,

Jeffrey Skebba
Division of Air Pollution Control
