Re: Makdrew Storage Condos, Ph. 1 / Fairfield County

Dear Mr. Baker:

This letter is written in follow-up to a construction storm water inspection that I conducted at the Makdrew Storage Condos, Phase 1, located at 8230 Benadum Road, on September 13, 2010. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, we noted the following:

Sediment and Erosion Controls:

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851. Follow-up inspections will be conducted to ensure the conditions of the General Permit are continuing to be met.

Sincerely,

Gregory L. Sanders
Environmental Specialist
Division of Surface Water
Central District Office
