**Re: Construction Storm Water Inspection at Motorist Mutual Insurance Company Data Center / Franklin County  
Permit Number: 4GC03095\*AG**

Dear Mr. Vincent:

This letter is written regarding a storm water inspection I conducted at Motorists Mutual Insurance Company Data Center located at 6650 New Albany Road East, New Albany, Ohio on August 26, 2010. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

**Sediment and Erosion Control:**

- All deficiencies noted during my inspection on August 19, 2010 were corrected.
- The bio retention facility is currently under construction. If any sediment is found within, the re-installation of infiltration media will be required.
- All barren areas must be seeded and heavily mulched by September 3, 2010.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at 614-728-3844 or email at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us).

Sincerely,

Harry Kallipolitis  
Storm Water Coordinator  
Division of Surface Water  
Central District Office
