Dear Ms. Halcomb:

I received your response to my June 16, 2011 Notice of Violation letter on July 15, 2011. Enclosed in this response were photographs demonstrating that the oil stained gravel/soil near the 530D Oil House has been cleaned up.

My review of this documentation reveals that the United States Enrichment Corporation has adequately demonstrated abatement of the violation discovered during the June 14, 2011 inspection.

Should you have any questions regarding the contents of this letter, feel free to contact me at 740-380-5256.

Sincerely,

Melody Stewart
District Representative
Division of Materials and Waste Management
