Permit Number: 4GCO00001*AG**

Dear Ms Parekh:

This letter is written in follow-up to a construction storm water inspection I conducted at Premwood Subdivision located in Delaware, Ohio on December 4, 2009. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following:

Sediment and Erosion Controls:

- All sediment and erosion controls appear to be functioning as intended. Please continue to monitor the site to ensure stable conditions through the winter months.

If you have any questions regarding this letter or my inspection, please do not hesitate to contact me at our Central District Office at 614-728-3844 or email at harry.kallipolitis@epa.state.oh.us.

Sincerely,
