Re: Storm Water Inspection at Byers Toyota

Dear Mr. Durivage:

This letter is written regarding the storm water inspection I conducted at Byers Toyota, located in Delaware County, on November 5, 2009. The location of the site is directly North of Hull Road on US Route 23. Based on my inspection and the current storm water regulations, the following items were noted:

Storm Water Permit:

- We are in receipt of the new Notice of Intent application which is currently subject to review.

Storm Water Pollution Prevention Plan:

- A Storm Water Pollution Prevention Plan (SWPPP) must be developed and approved prior to the issuance of the General Storm Water Permit. The SWPPP must address potential setbacks as defined in the conditions of the Olentangy permit.

Letter of Intent:

- I have received the letter of intent for the mitigation area. The letter is acceptable; please incorporate the letter in the SWPPP for approval.
