Dear Mr. Cook:

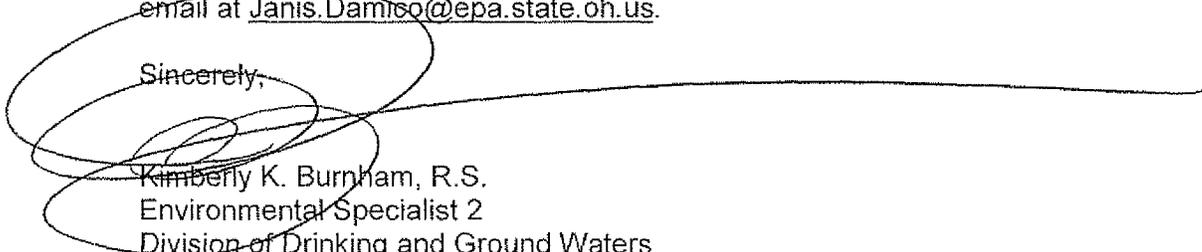

This letter is notification that New Winchester Golf Course has not complied with requirements issued during this Agency's last survey performed on October 19, 2011, in violation of rule 3745-81-60 of the Ohio Administrative Code (OAC). The golf course was notified in correspondence dated October 31, 2011, to respond in writing within 30 days, with time frames for compliance with the following requirements:

1. Modify the well casing and cap as discussed during the survey to prevent the entrance of water, dirt, animals, insects, or other foreign matter [OAC Rule 3745-9-05(P)]. Submit a written description of the modifications intended to accomplish this.
2. Ensure that the section of well casing that extends above grade is securely fastened to the section below it. Submit a written description of the method used to secure the joint between the casing sections.

**Respond in writing upon receipt of this letter with time frames for compliance with the above requirements.**

Please be advised that my colleague, Janis D'Amico has recently taken over responsibility for public water systems in Crawford County.
