Dear Mr. Kruckenberg:

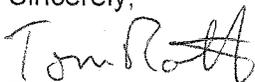

Thank you for your March 14, 2012 and March 19, 2012 responses to Ohio EPA's February 24, 2012 Notice of Violation letter. The documentation you submitted included a photograph showing the universal waste lamps have been properly containerized. A manifest indicating they have now been shipped to a recycler was submitted via your e-mail of March 19, 2012, to be followed by a hard copy.

My review of this documentation reveals that Nutro has now abated all violations discovered during the January 31, 2012 inspection as listed below.
