**Re: Construction Storm Water Inspection at Olentangy Falls Sections 4 and 5
Delaware County
Permit Number: 4GC02245*AG**

Dear Mr. Brickner:

This letter is written in follow-up to a construction storm water inspection I conducted at Olentangy Falls Sections 4 and 5 at the intersection of Hyatt Road and Taggart Road in Lewis Center, on August 12, 2010. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following:

Sediment and Erosion Control:

- The area remains well vegetated and stable on the date of this inspection.

If you have any questions regarding this letter or the inspection, please do not hesitate to call me at our Central District Office at (614) 728-3844 or email at harry.kallipolitis@epa.state.oh.us. In addition, please provide a written response to the action items addressed above within ten days from receipt of this letter. A follow-up inspection will be conducted to ensure the minimum conditions of the General Permit have been met.

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
Division of Surface Water
Central District Office
