**Re: Zone Guard / Franklin County  
General Storm Water Permit #4GC03324\*AG**

Dear Mr. Lallo:

This letter is written in follow-up to a construction storm water inspection that I conducted at Zone Guard, located at 1000 Buckeye Park Road, in Columbus, Ohio, on September 2, 2011. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following:

**Sediment and Erosion Controls:**

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders  
Environmental Specialist  
Division of Surface Water  
Central District Office
