Dear Mr. Nichols:

This office received a complaint on March 14, 2012, concerning open burning being conducted on your property. My investigation shows you were found to be burning residential waste on the property on March 11th and 12th, 2012, within 1000' of adjacent residences in a restricted areas.

Based on these findings, there is sufficient evidence to determine that illegal open burning did occur and the complaint is justified. Each separate day of burning constitutes a violation of OAC rule 3745-19-03(A).

A copy of the OAC rules pertaining to open burning has been enclosed for your review. Please provide a written response acknowledging your receipt of this letter and your understanding of the rules. If you do not understand the rules please contact this office for additional explanation before responding. Your response is requested no later than April 4, 2012.

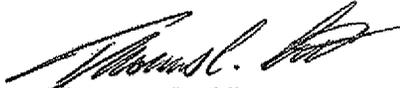

Because the fire has been extinguished, you are no longer in violation and the property is considered to have returned to compliance.

Please be advised that the submission of information to respond to this letter does not constitute waiver of the Ohio EPA's authority to seek civil penalties pursuant to Ohio Revised Code Section 3704.06. The Ohio EPA will make a decision whether to pursue such penalties regarding this matter at a later date. The decision on whether to pursue or decline to pursue such penalties regarding this matter is dependent on several factors, one of which is your future compliance with applicable Ohio EPA requirements.
