Dear Ms. Van Cleave:

This letter is written in follow-up to a storm water complaint I conducted near the entrance of Bexley Cottage on State Route 256 in Pickerington Ohio, on December 9, 2009. The complainant alleged equipment in the creek near the entrance.

During the investigation, I noted a small back hoe near the creek (see attached photo). No operators were on site during the inspection. It appeared there was work required on the wing walls associated with the culvert.

At this time, please ensure the barren areas associated with this work are fully stabilized in preparation for the upcoming winter months.

If you have any questions regarding this letter or my inspection, please do not hesitate to contact me at our Central District Office at 614-728-3844 or email at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us).

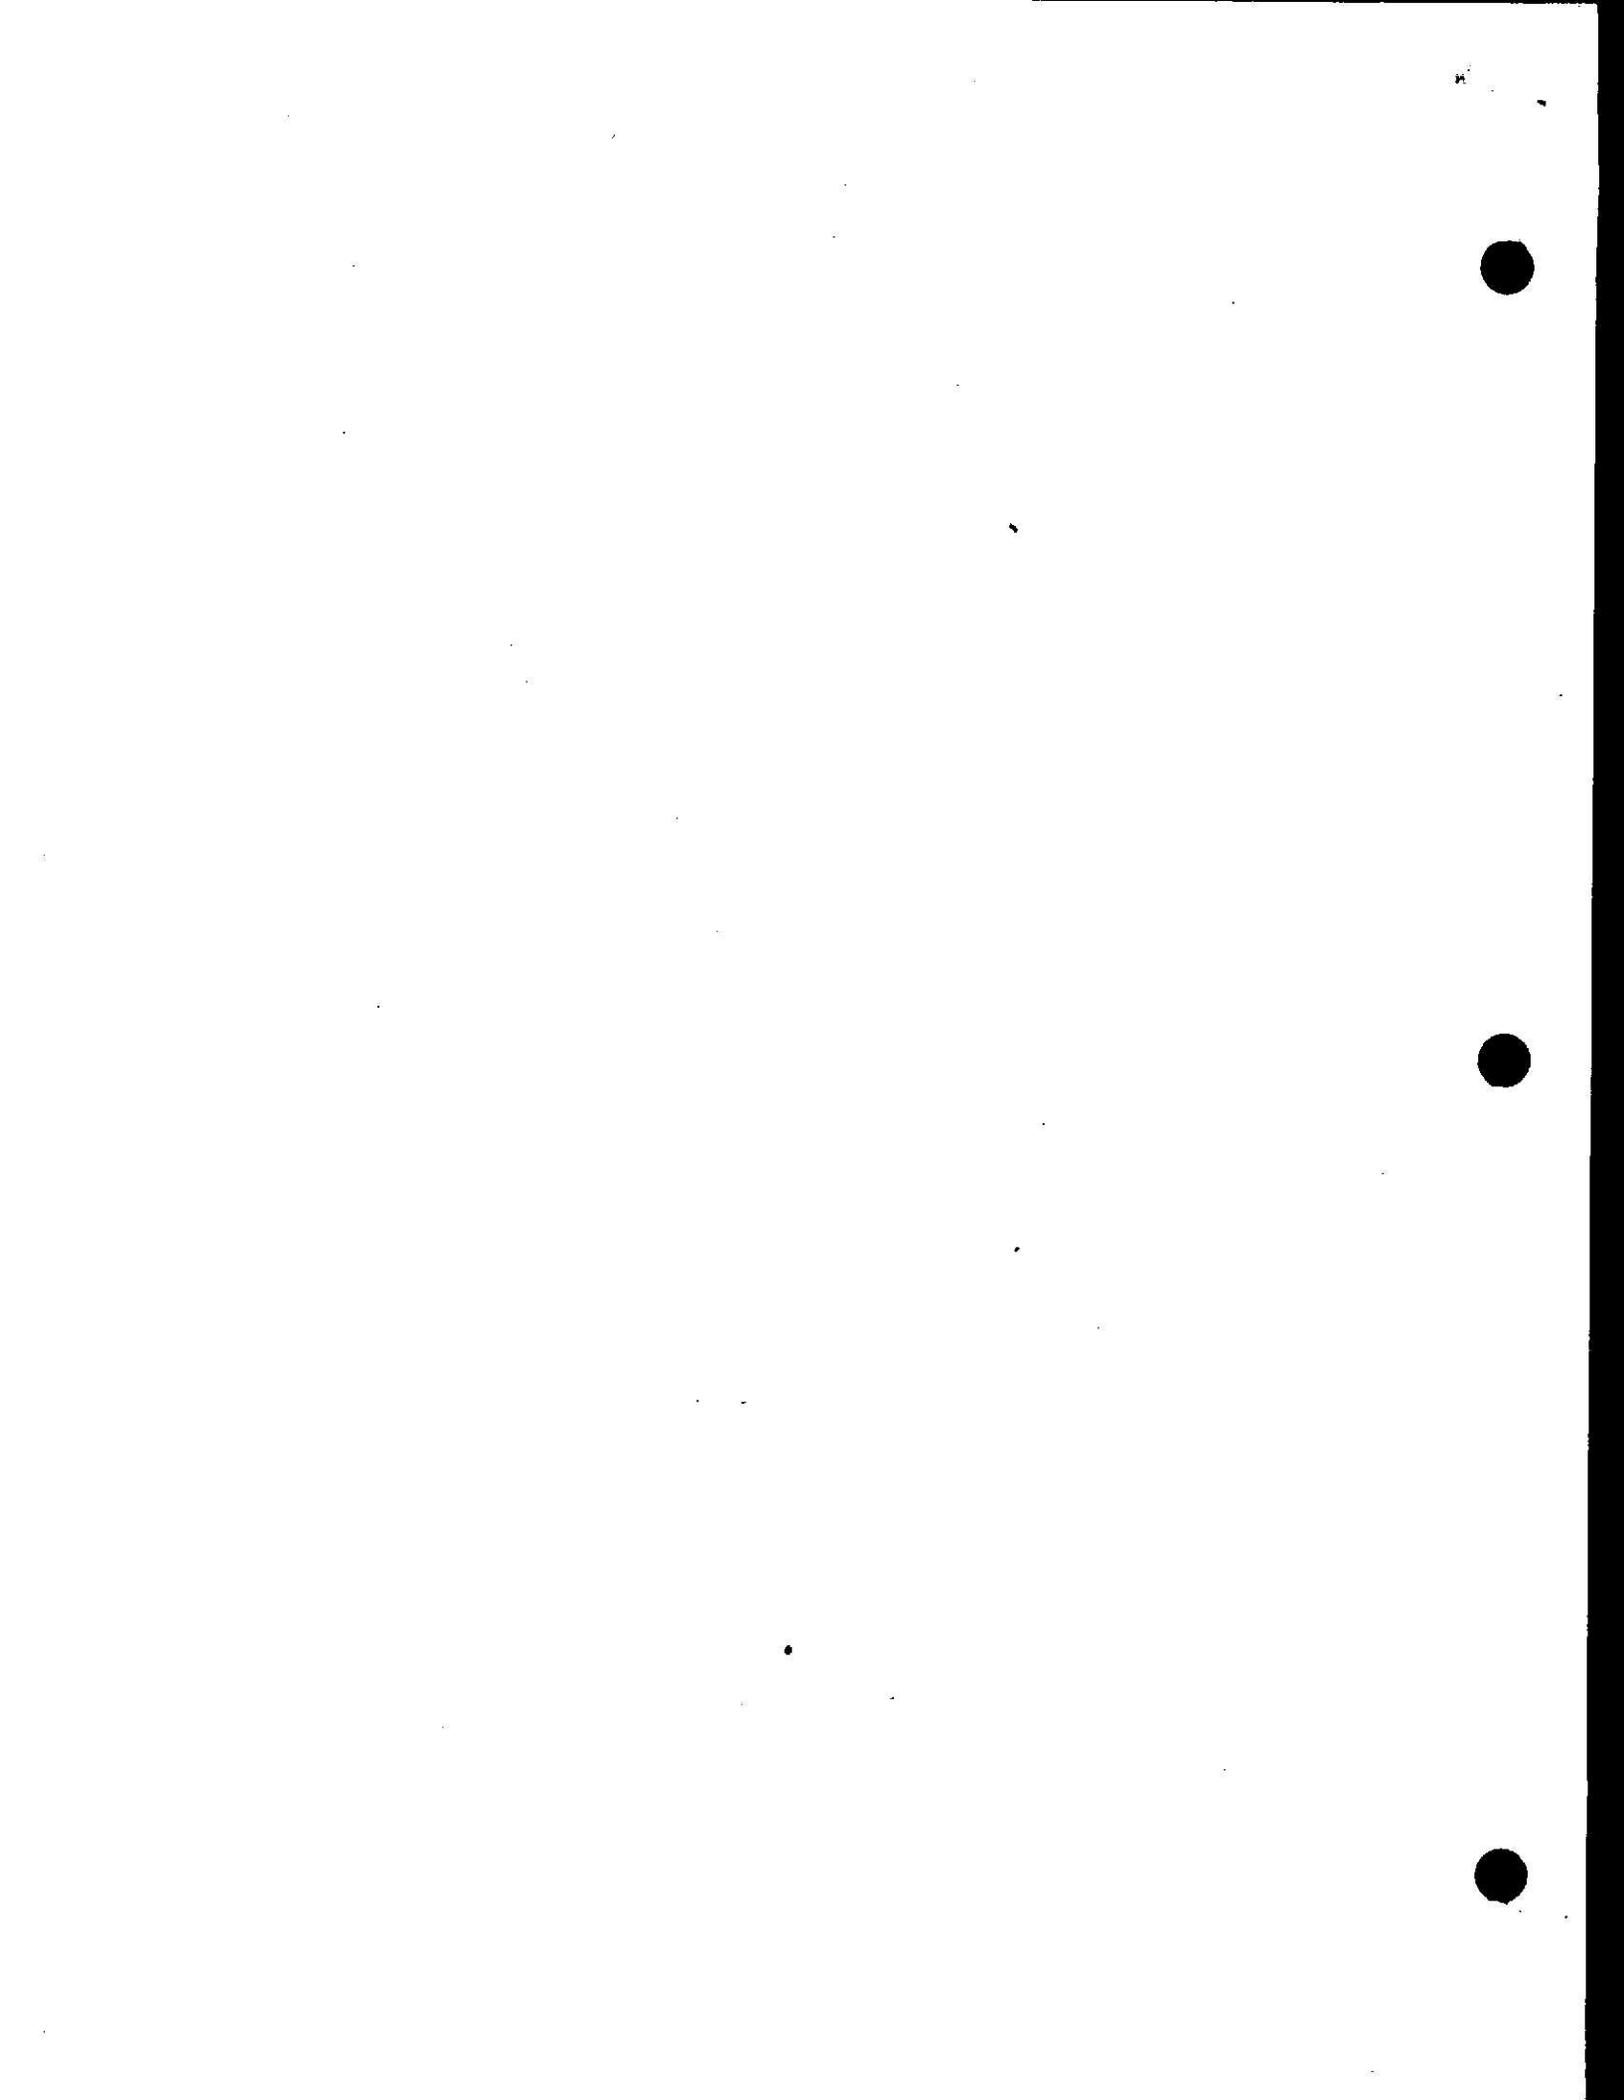

Sincerely,
