RE: WE-R-CHROME
OHD004214805
COMPLAINT #7500
CUYAHOGA COUNTY/CESQG
RESPONSE TO NOV/2ND NOV

Mr. Wally Spike
We-R-Chrome
3885 East 78th St.
Cleveland, OH 44105

Dear Mr. Spike:

On March 27, 2012, I received a letter from Dialysa, LLC, responding to Ohio EPA's NOV dated March 15, 2012. The letter outlined the steps that We-R-Chrome is taking to return to compliance with the violations outlined in the March 15, 2012 letter. It is my understanding that a full report will follow once samples have been taken and analyzed.

The following violation remains outstanding pending sample results:

1. **Ohio Administrative Code (OAC) 3745-52-11; Hazardous Waste Determination. This rule requires that any person who generates a waste must determine if that waste is a hazardous waste.**

Should you have any questions, please feel free to call me at (330) 963-1162 or email me at marlene.kinney@epa.state.oh.us

Sincerely,

Marlene M. Kinney
Environmental Specialist
Division of Materials and Waste Management
