RE: RETURN TO COMPLIANCE

Dear Mr. Bartels:

Thank you for your April 2, 2012 response to Ohio EPA's March 19, 2012 Notice of Violation letter. Pursuant to my telephone conversation on March 26, 2012 with Spectra Energy corporate personnel, the documentation submitted included an updated Spill Procedures Chart that contains provisions for the immediate notification of the Ohio EPA emergency response team by use of its 24-hour toll free number (1-800-282-9378).

A review of this documentation shows that Texas Eastern Transmission LP-Wheelersburg (aka Spectra Energy) has now abated all violations discovered during the February 22, 2012 hazardous waste inspection.

If you have any questions or need assistance, please feel free to contact me at 740-380-5237 or at vicky.german@epa.ohio.gov.

Sincerely,

Vicky D. German
