**Re: ILLEGAL OPEN BURNING MCKINLEY TOWNSHIP**

The Canton City Health Department, Air Pollution Control Division (APCD) represents the Ohio EPA in air quality matters within Stark County. As such, APCD employees have the authority to investigate and enforce Ohio EPA (OEPA) air pollution regulations.

On Saturday, November 12, 2011 at 1802 hrs, Engine 5 responded to your address to check on open burning. Crew found resident Jacob Hose (who has a permit) burning a pallet in front yard. Crew had him put fire out since it was not a recreational fire.

Please be advised that burning for waste disposal is prohibited by the Ohio Administrative Code 3745-19-03. No further enforcement is planned at this time, but future occurrences could result in monetary fines.

Sincerely,

Gregory A. Clark, CHMM, CAHES  
Air Pollution Control Engineer
