Re: ILLEGAL OPEN BURNING IN MCKINLEY TOWNSHIP

The Canton City Health Department, Air Pollution Control Division (APCD) represents the Ohio EPA in air quality matters within Stark County. As such, APCD employees have the authority to investigate and enforce Ohio EPA (OEPA) air pollution regulations.

On Friday, March 2, 2011 I was at your property at 1923 Harrisburg Road NE and observed and documented a fire for waste disposal set by you. We discussed this over the telephone that day and I informed you that this fire was in violation of Ohio EPA Open Burning regulations.

Please ensure that any open fires on your property(ies) are in conformance with Ohio Administrative Code Rule 3745-19-03, which I attach.

Sincerely,

Gregory A. Clark, CHMM, CAHES
Air Pollution Control Engineer
