Dear Ms. Taylor:

I am writing this letter in response to a complaint received by this office on April 7, 2008. The complaint alleges that you are open burning garbage at your home.

On April 14, 2008, I investigated this complaint. There was no one at home at the time of my investigation. Evidence of the open burning of cans, garbage, plastics, vinyl siding, and other solid wastes was observed in your driveway. I left a pamphlet that explains Ohio's open burning rules in your door with my phone number.

Open burning of improper waste materials at this location is in violation of Ohio Administrative Code (OAC) rule 3745-19-04 and is punishable by a fine. All open burning in violation of the requirements specified in OAC rule 3745-19-04 must stop immediately. If you continue to open burn improper waste materials, legal action may be taken against you.

Please contact me at 740-380-5217 or 1-800-686-7330 as soon as possible so that we can discuss this matter.

Sincerely,

Lisa Duvall
