Re: Montgomery Bluff Subdivision / Franklin County

Dear Mr. Bigler:

This letter is written regarding the storm water inspection I conducted of the construction activities at the Montgomery Bluff Subdivision, located along Olentangy River Road, in Franklin County, on July 8, 2009. I understand this site is currently covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection it appears that this site has been stabilized and there is currently no construction activity at the site.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders
Environmental Specialist
Division of Surface Water
