Re: New Birth Christian Ministries / Franklin County

Dear Pastor Moore:

This letter is written regarding the storm water inspection that I conducted on July 13, 2009, at the New Birth Christian Ministries located at 3475 Refugee Road, in Columbus, Ohio. The Agency understands that these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. Upon inspection, the sediment and erosion controls appear to be in compliance with the requirements of the General Storm Water Permit. The construction activity at this site appears to be completed. A Notice of Termination will be required providing that the post construction requirements have been met. Instructions and forms can be found at:
<http://www.epa.state.oh.us/dsw/storm/stormform.html>.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders
