Re: Storm Water Inspection at Gold's Gym/Urban Active Fitness at Polaris

Dear Mr. Yates:

This letter is written in follow up to a construction storm water inspection I conducted of Gold's Gym/Urban Active Fitness at Polaris in Columbus, Ohio on July 6, 2009. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following:

Sediment and Erosion Controls

- Construction is now complete for this site. Additional erosion control measures will be expected to ensure the vegetation is established sufficient to control erosion. ***This specifically applies to the barren areas noted around the southwest storm water pond at this site.***

If you have any question regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844. A follow up inspection will be conducted to ensure the conditions of the General Permit are met.

Sincerely,

Harry Kallipolitis
