**Re: Construction Storm Water Inspection at Canaan Middle School / Madison County
Permit Number: 4GCD00064 *AG**

Dear Mr. Carpenter:

This letter is written regarding a storm water inspection conducted by Greg Mann and Daelann Farnlacher of the Ohio EPA at Canaan Middle School located at 7055 US Route 42 Plain City Ohio on July 12, 2011. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

Sediment and Erosion Control:

- It was noted that one of the storm water inlets protectors along Price-Hilliard Road was not functioning as intended. Please take corrective actions repair this item.
- The majority of all storm water controls appeared to perform as intended. Please continue to maintain these controls to minimize off site sediment discharges.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at 614-728-3844 or email at harry.kallipolitis@epa.state.oh.us.

Sincerely,

Harry Kallipolitis
