**Re: Construction Storm Water Inspection at The Shoppes at East Broad / Franklin County
Permit Number: 4GC02248 *AG**

Dear Mr. Muckley:

This letter is written regarding a storm water inspection I conducted at The Shoppes at East Broad located on Broad Street, east of Waggoner Road in Reynoldsburg, Ohio on July 19, 2011. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

Sediment and Erosion Control:

- The erosion gully locate at the inlet of the western most basin has been repaired. Corrective measures are expected to provide a fine grade to the area and reestablish vegetation.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at 614-728-3844 or email at harry.kallipolitis@epa.state.oh.us.

Sincerely,
