Return to Compliance**

Dear Mr. Hitchcock:

In a letter dated February 1, 2012, the Ohio Environmental Protection Agency (Ohio EPA) provided a notice of violation occurring at the former City of Celina Landfill (Facility). On February 13, 2012, Ohio EPA received correspondence from Joe Wolfe, Public Works Supt. for the City of Celina, that documents abatement of the following violation:

Citation	Requirement	Action taken
OAC Rule 3745-27-14(A)(5)	Monitoring & Reporting	Changed the dates that monitoring will occur as well as conduct additional monitoring above what is required

Nothing in this letter shall be construed to authorize any waiver from the requirements of any applicable state or federal laws or regulations. This letter shall not be interpreted to release the owner or operator, or others, from responsibility under Chapters 3704, 3714, 3734, or 6111 of the Ohio Revised Code or under the Federal Clean Water Act, Resource Conservation and Recovery Act, or Comprehensive Environmental Response, Compensation, and Liability Act for remedying conditions resulting from any release of contaminants to the environment.
