Dear Mr. Puhl:

Thank you for your responses to my February 2, 2010 letter concerning our January 25, 2010 hazardous waste inspection of your facility. You submitted your procedure for management of spent lamps as universal wastes and photographs documenting that you have properly labeled containers and a tank of used oil. The submittals have adequately addressed the violation and the one concern that we had. Thank you for your prompt attention to this matter.

Should you have any questions related to this letter, please feel free to call me at (330) 963-1226 or write via e-mail.

Sincerely,

Sheryl K. Slone, P.E.
