Dear Mr. Lauber:

Thank you for your September 23, 2008 response to Ohio EPA's June 12, 2007 Partial Return to Compliance letter. Your letter was received by this office on September 25, 2008.

The documentation you submitted included the following:

1. An inventory log and disposal records for the 18 drums of material that was in the dry bag storage area.

Ohio EPA has reviewed your letter and accompanying documentation and determined that it is adequate to abate the following violations (as numbered in the NOV):

7. **Hazardous Waste Determination**

No response to this letter is required.

Failure to list specific deficiencies in this communication does not relieve Harrison Paint Corporation from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Sincerely,
